Applying For Marijuana ID Card—Paper

1. Initial appointment with Dr. Patel—receive medical marijuana recommendation.
2. Clinic provides Patient Registry ID number—required to complete state application.
3. Fill out paper application provided by clinic.
4. Include an email address (if possible) to receive communications from the state.
6. Attach a recent passport-type picture—follow specific instructions on application form.
7. Provide proof of Florida residency—submit copy of driver’s license, state identification card, recent utility bill, or current voter registration card (name and address must match).
8. Include \$75 state application fee—check or money order—made out to Florida Department of Health (include patient ID number on payment).
8. Mail completed application (including attached photo), proof of residency, and application fee to: Office of Medical Marijuana Use, PO Box 31313, Tampa, FL 33631-3313.
9. Receive patient ID card in mail (usually takes several weeks).
10. Take ID card to medical marijuana dispensary to get prescribed medicine.

For additional assistance: Contact the state’s toll-free help line at (800) 808-9580.
