## Applying For Marijuana ID Card

1. Initial appointment with Dr. Patel—receive medical marijuana recommendation.
2. Clinic provides Patient Registry ID number—required to complete state application.
3. Receive two emails from state: (1) online user ID and (2) personal password.
4. Log-in to state medical marijuana website with user ID and personal password (<https://mmuregistry.flhealth.gov>).
5. Your photo is automatically added to your application if driver's license or state identification card already on file with state. Otherwise, upload a photo (required) according to "Photo Requirements" section in application.
6. Upload proof of Florida residency—copy of driver's license, state identification card, recent utility bill, or current voter registration card (name and address must match and No PO Box number).
7. Submit completed application
8. Pay \$75 state application fee—via check, money order, credit card, or debit card. (Include patient ID number on check or money order—made out to Florida Department of Health.)
9. Receive patient ID card by **Email (usually takes several weeks)**—print out copy.
10. Take ID card to medical marijuana dispensary to get prescribed medicine.

**For additional assistance: Contact the state's toll-free help line at (800) 808-9580.**
